

## Repeat To Fade

Kosheen

Recently I've been feeling kinda restless  
Suddenly im rememb'rin'  
Theres no use in pretendin'  
Im not receiving  
Cuz you aint sending  
What I need  
Or you just don't have it  
What is this some kinda force of habit

(chorus)

\*Stop we start again  
As it goes on Repeat to fade  
Come with me and u will see a new beginning  
As we go on repeat to fade

Stop we start again  
As it goes on  
Repeat to fade  
Come with me and u will see a new beginning  
As we go on repeat to fade\*

Recently I've been thinking its not easy  
Finally I believe it  
There's no use in pretending  
Im not receiving  
U aint sending  
What I need  
Or u just don't have it  
What is this a force of habit

Chorus

Always going on
