KOTA The Friend

Ugh!

Bill collector knocking at the door
Baby momma yelling in my ear
Honestly a lot is going on

Only thing is I don't really care
People wonder how I keep a smile
Tell 'em its 'cus I don't give a fuck

I been in my sleepers for a while
Even all my haters show me love yeah
I just wish 'em well though

Hope you gettin' money
Hope you doin' well bro
Heard your sister loves me

I'm in Colorado
Do not fucking @ me
I been on vacation 'cause I need it badly
Hotel California my escape

P-P-Pulling in up in Mexico with New York city patles aye
Neighbors want a photo when I visit where I stay aye
If you talking drama get the fuck up out my face aye

Dodging bad vibes like skrt
Drama on my line like skrt
Left it in the past like skrt
Getting to the bag like skrt

Skrt skrt skrt
Skrt skrt skr-skr
Skrt skrt skrt
Skrt skrt skrt
Skrt skrt skrt

People really think my life is perfect
Maybe 'cus I'm laughing through the worst shit
Yeah I know the Devil is alive but
The way that I been moving got 'em nervous

Mac I hope you know you did your thing
Get your rest 'cus homie you deserve it
Ocean Always deeper than it seem
And people only looking at the surface

P-Paparazzi caught me hopping out my bag aye
Hopping in the uber on my way to get the bag aye
Used to drink a bottle every day 'cus I was sad aye

I hit up my dad like I hope that we could patch things
Woman could not put me in my feelings nigga fuck that
If she do not want the releast nigga then she dumb wack

I don't ever trip but I bet that you would love that

I don't ever trip but I bet that you would love that

Dodging bad vibes like skrt
Drama on my line like skrt
Left it in the past like skrt
Getting to the bag like skrt
