

## Philly Jawn

KOTA The Friend

Philly Jawn, she like 5'1", hunny hella fun  
Low-key, shorty mad woke that's the shit we on  
Looking natural, self love, its a good thing  
Smell like aloe, coco-butter and some good dank

Niggas better watch what they be saying round you  
Step up to her circle she gon' be like how rude  
She don't need your money because she got her clout too  
She be looking at you thinking what that mouth do?  
She like hold up, hold up? I do not drink no soda  
You see ring on my finger? I do not answer no one  
My mama in Vallejo, daddy in Oklahoma  
I came to get this money, no time for roller coasters  
I said can we be friends? She said what kind you talking?  
She said I don't do breakfast, better be gone by morning  
But we can chill if you wanna, long as you know that I'm on a mission  
I told her I see the vision, yo man she was a

Early morning, social Sunday brunch and she be getting dressed  
Calm and cozy, cause tomorrow she got to get the check  
Peach mimosa, veggie-wrap but she ain't vegan yet  
Skin is popping, she been eating better and drinking less  
She don't entertain nobody that is not real  
Got me in my bag cause she matching my chill  
She ain't for the drama she ain't with the shits  
But if a shorty press her she be with the shits  
She said I'm something special, I said that mean a lot  
I said I like your crown, she said how could you not  
She laugh and tell me thank you, said I appreciate you  
You let me be myself, and then you stay the same you  
Girl, you different and I don't say that like I'm trying to fuck you  
You give a weak nigga trouble he won't know what to do  
She said yo listen, I knew that before you get in  
That why I'm so fuckin' picky be happy I fuck with you  
Cause I'm a
