In the city with my shooters
Hopping in and out the uber
She the shaker I'm the mover
Reservation peter lугers
That's her friend, I'll introduce ya. Quick

Niggas hating, that's a loser
Pass the papers, pass the hooka
Ex was toxic, had to lose her
Keep it solid, laugh at rumors
Back to having fun n shit

Brooklyn nigga
In the fuckin building
Coming from the bottom
We like fuck a ceiling

It's a celebration
You could never kill it
When you really make it
Ain't no better feeling

Got a bottomless mimosa
She mixing the rum wit Coca Cola
Part 2 on my sides, I'd like to show ya
My life is a movie, thought I told ya

Sunday in Soho
On this island
We just dancing
We just vibin
You ain't gotta know my name

Yeah

Sunday in Soho
Issa island
Get your liquor
Get your chaser
Ain't no drama for today

Yeah

Wake up
Clean up
Pop out
Wild out
Hop in
Hop out
Hop in
Hop out

Wake up
Clean up
Pop out
Wild out
Hop in
Hop out
Hop in
Hop out

Say she want me
I smell like money
She independent
Want nothin from me

She bout her bread
From out the country
Whisper, I'm gon let you fuck me
Later, but I hope you hungry

My chick bad and her friend bad too
Both got cash and they both mad cool
Nice lil ass in a back walk passed
Sit back, just watch and enjoy that view

I could do this all day
We can do this all night
More carafes and more life
Boarding pass and more flights
All the action, on sight
Yeah

Sunday in Soho
On this island
We just dancing
We just vibin
You ain't gotta know my name
