

Sunny Day

KOTA The Friend

It's a sunny day, it's a sunny day
It's a sunny day, it's a sunny day
It's a lovely day, it's a lovely day
It's a lovely day, it's a lovely day

They gon' laugh
They cool now, but it ain't gon' last
And I came up from the dump on a sideline slump
So I don't let a day go past
That I don't shine my light
Sign my name
Window seat when I'm on my flight
Show y'all love when I'm on my stage
Because I been struggling all my life
I was in a room on the cold long nights
Thinking of a way that I'ma end this right
Right here, right now in the dark blue room
With the writing on the wall I'ma end this fight
Say goodbye to the evil
The judgments and the fake people
In a fucked up world
Where there ain't shit real
And you feel like no one needs you, I know

It's a sunny day, it's a sunny day
It's a sunny day, it's a sunny day
It's a lovely day, it's a lovely day
It's a lovely day, it's a lovely day

All I been through
I can never hold your past against you
It seems complex, but life is simple
Everybody comes with blights and issues
And that's the fun, that's the fun
Funny how you think you the only one
And nobody perfect
Are they worth it?
If you say yes they call that love
And we grow together, stormy weather
Snow, rain, shine we back and better
Live this life like a long adventure
Even if it do not last forever
Let's go far away
Somewhere we can see the stars in space
Do some shit we never done
We'll go wherever you want

It's a sunny day, it's a sunny day
It's a sunny day, it's a sunny day
It's a lovely day, it's a lovely day
It's a lovely day, it's a lovely day

Now I don't worry 'bout nothing
I'm living life
If I wasn't, I'd be inside of a coffin
And that's why I put my all in
I spend my days in the country

Summertime in New York
And if we're on top of the current
This how we go
New day, better me
Clean slate, get your dreams
See the world, do good
Make it big in Hollywood
Keeping on your path
Keep doing your thing
Everything you do make sure that you do it your way

It's a sunny day, it's a sunny day
It's a sunny day, it's a sunny day
It's a lovely day, it's a lovely day
It's a lovely day, it's a lovely day

It's a sunny day, it's a sunny day
It's a sunny day, it's a sunny day
It's a lovely day, it's a lovely day
It's a lovely day, it's a lovely day
