

## Uncle Cal's Interlude

**KOTA The Friend**

These kids don't know what it's like to party. They standin' around. I don't even know if they're mingling, or they're paying attention to the good music that's flowin'. They need to learn what a real party's about. Maybe we need to relive the real party. Somebody need to get a tambourine. Somebody need to blow a damn whistle. Somebody need to wake these kids up, and show them how to party for real.
