Ya know I got 2 states of mind, stoned and asleep First I hit the sweetleaf, and then I have nice dreams When I get up, I wake and bake, take a piss and shake My clock stopped at Four-twenty, what you want me to say I stay blazed all day, no matter where I'm creepin' Hot boxing on your block, and at the spot on the weekends You'll see smoke risin', Just who could it be It's my rhyme and crime partner, D. dash L. O. C.

Faded off the bud smoke blowing it at you nerds thanks Johnny Richter for yo ur nice little hand off
I got some purple Kush
Did you bring the sand box?
Let's bounce some bud so we can make a little Keefe

Let's bounce some bud so we can make a little kee Spice up the leaf before we smoke the tree Everybody in the scene Know we blow the most dosha

That way they label up the Kottonmouth solders.

Yeah that be me born and raised in the suburbs.

"we got all types"- At 4-2-0 yeah our clocks is always altered- "we talking pounds" These

anti-hero's are just here to serve you proper "Roll that shit up" So leave t hose blessings right

up here upon the alter "pass it around" at 4-2-0 everybody's burning Ganja"

You'll catch me at the Smoke-Out smoked out, dropping drinks Having a blast, not giving a fuck, doing my thing Blowing rings through the crowd, being loud and obnoxious Now the shots I did with Pak got me feelin' kind of nauseous But I played it cool and pulled a few snapps Big fat packed bowls, and had a chicken Caesar wrap Dipping through the whole place, no where else I'd rather be Then smokin' weed with my peeps, now I pass it to D.

24.7 Everyday every minute everybody every stoner grab your bud keep compose r beer drinkers,

pill poppers, acid heads and freaks

All the creatures in the street Heroin addicts and geeks

Kottonmouth Kings signed a one way contract to see the world and smoke the k illa chromic

D-Loc said it, so don't you forget it It's four, two, o and I blow endow.

Now you might see me on a mission searching for double-vision And I ain't no mathematician, more like a stoney musician But I get a little help from my friends when in need Hit the bubble, fuck, double, now I'm seeing in three's

i'm always drinking beer and i'm always smoking weed hanging in the streets just doing my thing putting it down for the herb with the Kottonmouth Kings

All these hours and days inter-

face with the planet with bubbles and bells the kush is orgasmic

- I transplant my mental to truly titanic fanatic levels for all you bud fie nding addict - the

session begins right upstairs in my addict we bless it we roll it we toke it and pass it - the

next time you see us don't take us for granted - we're all getting lifted ju st the way that we planned it
