

# Fuck Off

## Kottonmouth Kings

I was screaming "Fuck off!" in '94  
And '06, fuck the fuck off even more  
And now KMK threw more fuel on the fire  
Our shit so hot, make you wanna retire  
ICP (Shit) Kottonmouth (Shit)  
Your shit so weak, but you still wanna [?]  
Got my nuts in your hand, physical, cough  
So pull my dick out your mouth and fuck off!  
What? Now put your middle fingers up (Put 'em up)  
I'm rolling up the chronic, got my hands on my nuts  
I'm rolling through the hood, smoking weed in my truck  
[?] tried to steal my shit, so his ass got fucked  
Stop taking my shit, bitch (Fuck off!)  
Don't take your stuff, 'cause (Fuck off!)  
If you think you're tough, bitch, throw your dukes up  
Trying to jack these [?] you get beat to the ground

People run they mouth (Fuck off)  
They will sell you out (Fuck off)  
And you know the type of busters  
That I'm talking about (Fuck off)  
Lying snitches (Fuck off)  
These two-face bitches (Fuck off)  
So Snapchat, Twitter (Fuck off)  
And I'll get with ya (Fuck off)  
So fuck off!

A fat dick, that is I  
Quick to make you think "I wanna slap this guy"  
But that there, that would be stupid  
Beat you down 'til your pants get pooped in  
Do me a favor and practice 'til you're perfect  
I want you to "Fuck off!" Good work, kid  
And now every time that you hear your name  
Remember to "Fuck off!" 'cause that's your claim  
You can chomp on a dick stick when that gets old  
Or just call my hotline every day and get told ta  
"Fuck off!" Bet I could place a bullet  
Through your Adam's apple and out your mullet  
He said "Fuck off!" I said "Yes, you  
You can all fuck off, and the rest, too"  
And from there, we all had a blast  
The whole damn world fucked off at last

People run they mouth (Fuck off)  
They will sell you out (Fuck off)  
And you know the type of busters  
That I'm talking about (Fuck off)  
Lying snitches (Fuck off)  
These two-face bitches (Fuck off)  
So Snapchat, Twitter (Fuck off)  
And I'll get with ya (Fuck off)  
So fuck off!
