

Problem Addict

Kottonmouth Kings

Play sweet, do the damn thing
Roll another joint up and do the damn thing
Bounce to the beat and do the damn thing
Yeah, I'm an addict so I do the damn thing
Every time I spit, I do the damn thing
Every time I wake up I do the damn thing
All damn day long I do the damn thing
When I go to bed yo I do the damn thing

I wouldn't go as far as addict but I got a weed habit
I like to spend my days stoned smoking mad cabbage
With a bunch of hunnies looking all nice and fly
Running around in G-strings, doing swan dives
And cannonballs cause if anything goes
You can't ride in the summer, ladies taking up their clothes
Naked women around cities as far as I can see
Weed up, hoes down, that's the life of me
Erect automatic, orgazomatic, sex in the basement
Up in the attic, downstairs, upstairs, on the kitchen table
I watch SSY hanging from a cable
Driving, three-way, dressing room, restaurants
Theatres, three-ways, quickies, marathon
You don't think that I'm a sex addict?
Call 976 Daddy-x bad habit

(Problem) I'm an addict, yes, a sex addict
(Addict) I love sex I just got to have it
(Problem) gotta have it, just got to have it
(Addict) jump around if you a sex addict

(Problem) I'm an addict, yes, a sex addict
(Addict) I love sex I just got to have it
(Problem) gotta have it, just got to have it
(Addict) jump around if you a sex addict

It's incredible why this bitch is so edible
I dunno, but she better go on it, too much to let it go
It's inevitable, ecstasy is my medical
Though bitch, in sickness, I never go beyond the fuck, cause I'm federal

How many women you cuppin', already fucked yet
Suckin' a little homie like me, she loves sex
Rough neck, bomb sex, right in your complex
Guess you gotta label jacks, such a sexual mess

I'm a addict, yes, a sex addict, yes, a ex-addict
Texas, the best addict, livin' lavish, blessed with checks
Has it best, repressed, ass with guts, I'm just savage
Kottonmouth and tech party, nigga
Texas in your city, believe it's gnarly, nigga
I'm a proble addict, sick of the chicks and the sex and the drugs
Ain't that the shit that you like?
No, it's the shit that I love
