

The Outlines

Koven.

When your eyes are open wide
Staring at the outlines
Searching all the corners of your mind
Never on your own
Looking for a hand to reach out
You need to know, you're not the only one

'Cause we all fall down sometimes
But we can find our way again
It's a power that's inside
We are strong enough to make it
I know that we can make it

It's a power that's inside

We are strong enough to make it
I know that we can make it

Now your eyes have come alive
No longer on the outside
Together at the forefront of your mind
Never on your own
You found a hand to reach out
And now you know you're not the only one

'Cause we all fall down sometimes
But we can find our way again
It's a power that's inside
We are strong enough to make it
I know that we can make it

It's a power that's inside

We are strong enough to make it
I know that we can make it

'Cause we all fall down sometimes
'Cause we all fall down sometimes
Yeah, we all fall down sometimes
Sometimes
