Was there something in my walk, how I talk, giving off the wrong energy?
Was there something in my stride, too much pride, telling you to back down?
Slowly, slowly, you became my enemy
But you can't, you can't, seem to get enough of me

So if this is the last time
I guess I better make it worthwhile
Yeah, if this is the last time
I guess I better give it my all
(Give it my)
If this is the-

If this is the

Give it my all
