

The Robots

Kraftwerk

We're charging our battery
And now we're full of energy
We are the robots
We are the robots
We are the robots
We are the robots

We're functioning automatic
And we are dancing mechanic
We are the robots
We are the robots
We are the robots
We are the robots

Ja tvoi sluga
Ja tvoi Rabotnik

Ja tvoi sluga
Ja tvoi Rabotnik

We are programmed just to do
Anything you want us to
We are the robots
We are the robots
We are the robots
We are the robots

We're functioning automatic
And we are dancing mechanic
We are the robots
We are the robots
We are the robots
We are the robots

Ja tvoi sluga
Ja tvoi Rabotnik

Ja tvoi sluga
Ja tvoi Rabotnik

[illegible]

We are the robots
