The Robots

Kraftwerk

```
We're charging our battery
And now we're full of energy
We are the robots
We are the robots
We are the robots
We are the robots
We're functioning automatic
And we are dancing mechanic
We are the robots
We are the robots
We are the robots
We are the robots
Ja tvoi sluga
Ja tvoi Rabotnik
Ja tvoi sluga
Ja tvoi Rabotnik
We are programmed just to do
Anything you want us to
We are the robots
We are the robots
We are the robots
We are the robots
We're functioning automatic
And we are dancing mechanic
We are the robots
We are the robots
We are the robots
We are the robots
Ja tvoi sluga
Ja tvoi Rabotnik
Ja tvoi sluga
Ja tvoi Rabotnik
We are the robots
```

We are the robots
