

# Can't Believe

Kranium

Oh God, yeah, mmm

When me touch down  
Bed a bruk down  
Inna late night, me and her locked down  
Shift her draws to the side, ride the shotgun  
Mhmm  
Inna me dark glass, cut-off shorts, Clarks well clean...  
Touch the road with mi bloodclaat team  
See a gyal deh pon a corner a cry and a scream  
You know say the boss haffi intervene  
She say, her man nah give her the time  
So, of course, you know say, me go give her the whine  
Now she say how me is a one of a kind  
And that's how she became mine  
And see it deh

Can't believe I, him can't believe I  
Take him girl away from him, oh God  
Can't believe I, him can't believe I  
Take him girl away from him, oh God

She want a rich nigga, not a broke one  
She a boss too, she get her own money  
Slim thicky with her booty and she know a nigga love that shit  
I love that shit  
She got a man, oh well, I'm like so what?  
What that nigga got to do with us?  
When we're lost in the moment  
And I'm deep in your ocean  
I bet he can't believe that!

Him can't believe I, can't believe I  
Take him girl away from him, oh God  
Can't believe I, him can't believe I  
Take him girl away from him, oh God

Now the whole place a talk 'bout the youth from New York that give her the s  
parks  
Inna me straight jeans pants and me Wallabee Clarks  
The boy say, how me nuh inna him class?  
True, him a give her all of the money in the world  
Him never know say he woulda lose him girl to a regular youth  
Weh a give her all the time, and plus she say, me well cute  
And see it deh

Him can't believe I, can't believe I  
Take him girl away from him, oh God  
Can't believe I, him can't believe I  
Take him girl away from him, oh God

My gyal, come give me likkle whine so  
Give me likkle whine so  
Give me whine so  
Give me whine so, give me whine so  
My gyal, come give me likkle whine so  
Give me likkle whine so

Give me whine so  
Show me love, gyal, free your mind  
Give me likkle whine and I'ma make you mine  
Yup!  
Pretty gyal, I'll make you mine  
I know you didn't come alone, that's why you're really shy  
Baby girl, come free your mind  
Many love to give, I wanna hold you tight  
Baby girl, I'll hold you tight  
I wanna squeeze, wanna tease, wanna please, wanna please  
Baby girl, I want it one more time  
Yup!

Him can't believe I, can't believe I  
Take him girl away from him, oh God  
Can't believe I, him can't believe I  
Take him girl away from him, oh God
