Lil Luv

Kranium

Your love is like, wild fire
I know you're afraid lover
I know you are afraid lover
Now you see
You ain't acting like you supposed to be, baby
And I know love can be so hard at times baby girl
For if you trust me it'll be okay

Won't you gimme lil luv
When the rain come pouring
Why won't you gimme lil luv
When the sun comes shining
Gimme lil luv
When the sun is on the horizon
Why won't you gimme lil luv
When the sky turns blue

Waan yuh tink bout everyting weh yuh got
Mmm, say you like me an mi kno seh yuh hot
Real bad gyal an plus har pum pum fat
More time mi wonda ow she whine like dat
I'll just be touching you, loving you
Doing things that couples do
That's why I say

Won't you gimme lil luv
When the rain come pouring
Why won't you gimme lil luv
When the sun comes shining
Gimme lil luv
When the sun is on the horizon
Why won't you gimme lil luv
When the sky turns blue

Baby
Won't you gimme lil luv (Just a little love)
When the rain come pouring
Won't you gimme lil luv [x2]
