

Proud

Kranium

You deserve every single thing you own
That's why I'm...

Proud to call you my girl
I'm so proud to have you a part my world (A part my world)
I'm so proud to see what you've become (What you've become)
I'm so proud (So proud) to say it all night long

Tell me your always for me, yeah (Always for me)
Know you woulda come home to me (Come home to me)
Your heart is so pure, I love how you flex
Felt so much more, it wasn't just sex
I was so blind, yeah, I was distressed
You helped me find my way out this mess

I just wanna be with you
Tell the world about you
Feel like I can't brag enough (I can't brag enough)
I just wanna be with you
Tell the world about you
Feel like I can't brag enough

I'm proud to call you my girl (I'm so proud)
I'm so proud to have you a part of my world
I'm so proud to see what you've become
I'm so proud, say it all night long

Skin on skin, our bodies working
Eye-to-eye, I love the flirting
We don't have a lot of time, so
Better make it mind, yeah, I'll show ya
I love everything that you do
Love the way that I put up on you
Love the way you show me 'round
Love the way you calm me down when I'm down
Yeah, baby, I'm proud

I just wanna be with you
Tell the world about you
Feel like I can't brag enough (I can't brag enough)
I just wanna be with you
Tell the world about you
Feel like I can't brag enough (Yeah, yeah)

I'm proud to call you my girl (I'm so proud, I'm so proud)
I'm so proud to have you a part my world
I'm so proud to see what you've become (Oh, baby, baby, baby)
I'm so proud, say it all night long (All night long)

All night long, babe
I'm so proud, I'm so proud, I'm so proud
Huh, yeah, huh
I'm so proud, I'm so proud
