

# Through The Window

Kranium

Har man come home early seh fi come outside now  
And she want me fi jump through the window  
Me tell har me na move she seh work with the flow  
Coming like she tek man fi a poppy-show  
The bwoy outside and a mek pure noise  
Bun involve so me go draw fi a knife  
Somebody fi a get slice, yow a one thing me know  
Same way me come in man a go

Oh please  
She a bawl and a beg and a plea  
Through he window she want me fi leave  
Me nah dead in inna no closet  
Things weh man go through fi crotches  
Oh gees  
She a bawl and a beg and a plea  
Through he window she want me fi leave  
Me nah dead in inna no closet  
Things weh man go through fi crotches

She seh  
You nuh wah fight him  
The boy exercise like thick Mike Tyson  
Me seh well  
Me nuh inna go talking  
Boil some hot water, mek me bun that skin  
Then again  
Look wah me go get me self in a  
Comfortable in a shorts and marina  
Now the bwoy start kick down the door  
This worst than a soap opera show

Oh please  
She a bawl and a beg and a plea  
Through he window she want me fi leave  
Me nah dead in inna no closet  
Things weh man go through fi crotches  
Girl please  
She a bawl and a beg and a plea  
Ah tell me through the window me fi leave  
Ay gal you better stop it  
Things weh man go through fi crotches

I was with my girl and then feel haunted  
Just 'cause a girl text me that she want it, yeah  
Me in a house a gawn like seh me live deh, see deh  
Bwoy coulda kick off the door, come kill me

Oh please  
She a bawl and a beg and a plea  
Through he window she want me fi leave  
Me nah dead in inna no closet  
Things weh man go through fi crotches  
Oh gees  
She a bawl and a beg and a plea  
Through he window she want me fi leave  
Me nah dead in inna no closet

Things weh man go through fi crotches  
Oh-oh

She invite me  
I was with my girl, she invite me  
Ah tell me through the window me fi leave
