

Without You

Kranium

Ah, baby, I know, I'm sorry
Ah, all I know is I'm sorry, yeah
Ah-ah, all I know is I'm sorry
Yeah
(IO cheffin', issa issue)

You told me a million times, I
Never listen when you say that you would leave some day, yeah
Hey, heartbroken, can't sleep, can't eat, and
Can't feel my face, I'm shakin'
Mind goin' crazy since lately, ah, ayy-ayy, ayy-ayy

Been weak for a week
Seven days, I'm barely standin'
Ain't no more contemplatin'
Come on home, I'm all yours
I've been weak for a week
Seven days, I'm barely standin'
Ain't no more contemplatin'
Wouldn't be like before

You keep the peace in me, in my heart, hey
You keep the peace in me, in my heart
I don't wanna live without you
I don't wanna live without you
'Cause you keep the peace in me, in my heart

Why did it take you so long to (Long to)
Realize what was before you? (Before you)
Well, you fumbled a diamond, babe (Diamond, babe)
Now you tryna find your way back to me (Find your way)
You really can't be mad, did it to yourself
Now you can't imagine me with no one else
How did we get disconnected?
It was good 'til we left when
You stop showin' me affection
Then I hit you with the question like
"Who you got on the side?" (On the side)
You told me, I was trippin' (Trippin')
But I see right through your lies (Ooh-woah-oh)
I really thought you were committed
Then why you break my heart?

You keep the peace in me, in my heart, hey (Ah, you broke my heart)
You keep the peace in me, in my heart (How can you say?)
I don't wanna live without you (I can't)
I don't wanna live without you (Oh, oh)
'Cause you keep the peace in me, in my heart

I won't tell you to stay 'cause you deserve to leave (Leave)
I hope I find a freedom (Freedom)
It's paralyzin' me (Me)
I thought I found forever (Forever)
Now it seems you rather (Rather)
Find forever with somebody else
Oh, baby
Dyin' and longin' to see you (You)

Life ain't so easy for me (Me)
Without the love of my baby (Baby)
Don't even know what I need (Need)
Can't believe I lost my lifeline (Lifeline)
I'ma carry this pain for a lifetime (Ooh-ooh)

You keep the peace in me, in my heart, hey (My heart)
You keep the peace in me, in my heart
I don't wanna live without you
I don't wanna live without you (Oh, no)
'Cause you keep the peace in me, in my heart (My heart)

(Ah, ooh-ooh)
I don't wanna live without you (Ooh-ooh)
(Ooh-ooh, ooh, yeah, ooh-ooh, ooh-ooh)
