Deep End

KREAM

How long, how long
How long has it been since we talked?
How long, how long
How long has it been since we forgot the world for an evening?
I'm not the only one who's feeling what I'm feeling
Both of us could use a little bit of healing

Feels like I'm falling in the deep end
So reach out your hand to mine
'Cause I just need a little solace
In these crazy times
Pull me up a little bit further
'Cause I can't get through it without you
Feels like I'm falling in the deep end
So put your hand in mine

Yeah
Yeah
Pull me up a little bit further
'Cause I can't get through it without you
Feels like I'm falling in the deep end
So put your hand in mine

Hello, hello
Know it's been a while since I called
Right now, right now
I can feel my mind spinning like the fan on the ceiling
I'm not the only one who's feeling what I'm feeling
Both of us could use a little bit of healing

Feels like I'm falling in the deep end
So reach out your hand to mine
'Cause I just need a little solace
In these crazy times
Pull me up a little bit further
'Cause I can't get through it without you
Feels like I'm falling in the deep end
So put your hand in mine

Yeah
Yeah
Pull me up a little bit further
'Cause I can't get through it without you
Feels like I'm falling in the deep end
So put your hand in mine
