Enough

KREAM

Never gave you the world
Wasn't there for you, baby
We became undone
Didn't give enough, enough
Never gave you the world
Wasn't there for you, baby
We became undone
Didn't give enough, enough

Didn't give enough

Should've got you roses
Take you on adventures
No sleepless nights
Nothing cool to remember

Never gave you the world
Wasn't there for you, baby
We became undone
Didn't give enough, enough

Didn't give enough
