

# Go Somewhere

KREAM

Open road, I hear it calling  
Calling out my name  
Wind the window down  
I want the wind upon my face  
Sunrise and we own the morning  
Let's get lost so we can't find our way  
Take the wheel, why are we waiting?  
'Cause I don't wanna stay

I got this feeling we should go somewhere  
Go, go somewhere, we should go somewhere  
No rhyme or reason, yeah, I just don't care  
No, I just don't care, we should go somewhere now  
I got this feeling we should go somewhere  
Go, go somewhere, we should go somewhere  
No rhyme or reason, yeah, I just don't care  
No, I just don't care, we should go somewhere now

We get caught up in the motion  
I forget to breathe  
With the speed comes my devotion  
When I got you with me, ooh  
Take my word, won't leave you lonely  
I'm gonna feel it, I'm gonna feel it with you  
Empty lanes and no direction  
Yeah, this is what we do, oh, yeah

I got this feeling we should go somewhere  
Go, go somewhere, we should go somewhere  
No rhyme or reason, yeah, I just don't care  
No, I just don't care, we should go somewhere now

I feel it in my bones, I feel my heart get faster  
Yeah, we could go for miles 'cause nothing else here matters  
As long as I'm with you, no matter what, we're going somewhere  
No matter what, we're going somewhere (Somewhere, somewhere)  
As long as I'm with you, it' don't matter what, we're going somewhere

I got this feeling we should go somewhere  
Go, go somewhere, we should go somewhere  
No rhyme or reason, yeah, I just don't care  
No, I just don't care, ooh  
Yeah, oh, yeah  
Yeah, yeah  
Oh, yeah, yeah
