

Love You More

KREAM

I just wanna feel you
All of you

Walk with me into the light
Walk with me we'll make this right
Walk with me into the light
Cause your heart never lies

You say you've got the love
So show me what it's worth
And maybe I will love you more
You say you feel the love
So show me what it's worth
And maybe I will love you more

Ya know we're walking together
We're gonna walk now, ooh yeah

Walk with me into the light
Walk with me we'll make this right
Walk with me into the light, oh yeah

You say you've got the love
So show me what it's worth
And maybe I will love you more
You say you feel the love
So show me what it's worth
And maybe I will love you more

I just wanna feel you
All of you, ooh yeah hey

I just wanna feel you feel you
I just want you here every night
I just wanna lay down next to you
Show me that your heart never lies
