

Numb

KREAM

I'm so numb
I'm so numb
What I got to prove that I'm worth it all?
Think about it, boy, you gon' think about me
I'm so numb
What I got to prove that I'm worth it all?
Think about it, boy, you gon' think about me
I'm so numb

I'm so numb
I'm so numb

I'm so numb
What I got to prove that I'm worth it all?
Think about it, boy, you gon' think about me
I'm so numb
What I got to prove that I'm worth it all?
Think about it, boy, you gon' think about me
I'm so numb
What I got to prove that I'm worth it all?
Think about it, boy, you gon' think about me
I'm so numb

I'm so numb
I'm so numb
