

Sweat

KREAM

I'm gon' sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
So make me sweat

I'm gon' sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat

Higher than the low
Higher than love goes
If you wanna play
Don't regret it
Fire when I'm low
Let's put on a show

I'm gon' sweat
I'm gon' sweat

I'm gon' sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
Got me, got me out my head
Drippin', drippin' down my neck
You know, you know I'm the best
So make me sweat
