Kreator

Caught in realms of chaos, human drama
Mass frustration, virtual world of lies
Hallucinate your personal Nirvana
Fabricated facts meant to hypnotize

Morality's compass became obsolete
Honesty's fading, dystopian deceit in a

Ignorance, like poison, calls my name now
We're losing all what trust was built upon
Thoughts of evil spreading like wildfire
Resist, mentally strong, we hold our ground

Reality's concept became obsolete
Repulsive opinions, like vomit on our screens, the final
