All alone So unreal Follow illusions Beyond imagination All alone Cannot breathe Feelings isolated All your heaven breeds frustration Outcast All alone Is it real? Killing illusions Beyond imagination All alone Cannot feel Absolute rejection In a world with no reflection Now you've crossed the line See with different eyes With a different mind, looking Straight through your disguise Do you ever know what it really means Being pushed away Driven to the last extreme All you'll ever be, all you ever were Nothing but a freak, just a sociopath Outcast
