War Curse

Kreator

Envision World War Two
In a land that's ruled
By hate and hunger
I guide the fading souls
As bodies drown in flames

All the world is a cemetary A new order is dispersed Like a brutal catharsis This is the dawning of the

Warcurse
Echoes death's eternal call
Hatred is forever
Warcurse
Peace forever be disturbed
Violence is conquering the world

Dreams to erase
The ones that they forever dispise
Perverse ideology
From the lowest sons of the soil

I am watching ever-present Suffers from every race Take a look into the mirror And you will see my face

Warcurse
Echoes death's eternal call
Hatred is forever
Warcurse
Peace forever be disturbed
Violence is conquering the world

Air raid shelters as the sirens scream Words to ease all mortal fear Lift the souls off on the German front Counting cadavers on the lost

Soldiers of hate, nazi leaders and civilians I will take them to where they belong For I've seen many wars, Heard a hundred calls to arms Salvation is my name ALARM!

Pure hate
Is in the air that I breath
Pure hate
A sickness that's known as
Pure hate
Abnormal cruelty brings
No victory to this war
Pure hate
The wise saw it coming
Pure hate
The mighty paved the path

Pure hate
My kiss of death comes
As a blessing not a curse

The curse lives on and on Gggggrhhhh eternal

Warcurse
Warcurse
Warcurse
Violence is conquering the world!
