I Might Kill Yo Bitch

Kreayshawn

```
I don't know
Motherfucker bitch
Fuck that bitch
Motherfucker bitch
Fucker bitch
Motherfuck that bitch
Fucker bitch
Motherfuck that bitch
I'll fuck that bitch
I'll fuck that, fuck that hoe
Fuck that hoe
Motherfuck that bitch
Oh, oh
(Aye woogie, aye woogie)

Motherfuck that hoe, man
Motherfuck that bitch hoe
I'll fucking put that bitch under the floor
[?] though
I said I'll fucking kill that bitch
And I will fucking kill that hoe
And if she talking shit, man
She can get down on my side
Your bitch is nasty
She always harass me
She hit me on Twitter, man
She tryna come over
But no she can't come over
I don't like her
And if she comes over
Then I'm gonna fight her
Like, bitch, who is you?
Throwing rocks at my window
I'm just in my house chillin'
Smokin' on some indo
Bitch, you tryna trash me
Bitch, you tryna match me
But you ain't got no good weed
Man, you a nasty hoe
I don't know
[?] though
He gon' fuck that bitch
And he gon' stab her in the throat
With something I don't know
But that's [?]
Man, he don't go his way
Oh my gosh

[?]
Stab her in the toe with a dick, oh
Yes, the game is oh, so thick
[?] but we're not sipping draft
Yes, I will kill your bitch and I might just kill your ass
Yeah, don't be asking me for shit
Because I kill her now
And yeah, I kill your bitch
Switched it up then she bitched it up
```

And then I put her on the turf
'Cause she's a turf dirt
Trap, yeah, kill her with a... Tattoo-ass stamp
Said she's a hoe
And it's always for the fuck that she wanted
For the boogie hoe, oh no
Kill that shit, I kill that shit like bow-bow-no
Move it slow and stroke it fast
Put your bitch on [?] flow
And now she's out there sucking dick and selling ass
Shoulder, shoulder, shoulder
Build her up
I don't know about these other motherfuckers
But yeah, I'm killing the slut
Killing it, what, like, killing it like, like Michael Myers?
Scary dude in your nightmares like Freddy Krueger
I fire and then re-hire as she bought that gluten
I don't know, yeah
Why explain when Kreayshawn popular with [?]
Trying to kill that bitch too
