

Make It Easy

Kree Harrison

It ain't supposed to go so smooth
Saying goodbye to you
It ain't supposed to be okay
To just kiss and walk away
It's crazy how we both agree
Since letting go of you and me
No tears and no big fights
That's what keeps me up at night

Baby, break my heart, build a wall
Take no blame, say it's all my fault
Make it easy on me, make it easy on me
Tell me lies, slam the door
Love me less, hurt me more
Make it easy on me, make it easy on me

I ain't supposed to change my mind
Every day a hundred times
I ain't supposed to second guess why I ever left
I think what makes it so damn hard
Is knowing how great you are, yeah
You keep shining the way you do
But honey, please tell me why can't you just

Break my heart, build a wall
Take no blame, say it's all my fault
Make it easy on me, make it easy on me
Tell me lies, slam the door
Love me less, hurt me more
Make it easy on me, make it easy on me

Break my heart, build a wall
Take no blame, say it's all my fault
Make it easy on me, make it easy on me
Tell me lies, slam the door
Love me less, hurt me more
Make it easy on me, make it easy on me, yeah

Oh, make it easy on me, make it easy on me
Tell me lies, slam the door
Love me less, hurt me more
Make it easy on me, make it easy on me, yeah
