

Something Else

Kree Harrison

I was almost done with that last glass of wine
Close my tab, head back home before I couldn't drive
Then you came in, just the right time
And you changed my mind, yeah you changed my mind

You were only looking for someone to dance
And I just needed for someone to take me by the hand
Then you walked into the bar, pulled me on the floor
Yeah, I knew then, yeah, I knew then

That you're something else
You've got a lot of nerve to come here by yourself
Yeah, you're looking me in the eye
Making me feel like I'm under your spell
Yeah, you're something else
I'm all out of words and I can't help myself
From trying not to fall, thought I'd seen it all
But you're something else

You're all out of quarters but we're both out of sense
Lights are coming on and we're still making plans
If you wanna cross that line, guess I'd let it slide
So, give in and try, yeah, and I'll give you a try

Cause you're something else
You've got a lot of nerve to come here by yourself
Yeah, you're looking me in the eye
Making me feel like I'm under your spell
Yeah, you're something else
I'm all out of words and I can't help myself
From trying not to fall, thought I'd seen it all
But you're something else

Yeah, you're something else
You've got a lot of nerve to come here by yourself
Yeah, and you're looking me in the eye
Making me feel like I'm under your spell
Yeah, you're something else
I'm all out of words and I can't help myself
From trying not to fall, thought I'd seen it all
But you're something else
