

Don't Lie

Krept & Konan

You need, you need to make a, um
A nice song that I can listen to, at night time
Not this grime, rap, shouting stuff
Don't you lie to me

You've got something
I've been waiting
For your body, for your body
You've got something
I've been waiting
For your body, for your body
Don't you lie
Don't you lie to me
Don't you lie
Don't you lie to me
Don't you lie
Don't you lie to me
Don't you lie
Don't you lie to me

What you need
Are you...
