Pray to the Lord nigga
In this cold world, I'm a born sinner
We pour liquor
Girl come Hova, it's all jigga
Chicks wanna holla, can't be my baby mama
Cos I don't need that drama
Unless she Rihanna
Most of you arseholes are bummy
I'll pop her cherry now she calling me Papi
She asking me what's on my body
Versace, Versace, Versace (Lord)
Been that guy since Oxide Neutrino (man)
Bound 4 da, Bound 4 da reload (damn)
Dickhead's as big as my ego (bam)
Man will give her the D on the d low

Pretty girl on my left
Pretty girl on my right
South side of that river
Tell em don't waste my time (kaboom)
Troubz rolled up and he's buzzing
Screaming out if they ain't with us then fuck 'em
Excuse my French I ain't worried 'bout nothin'
"Nigga I ain't worried bout nothin', haaan"
Gig shows, stacking doe
VIP lounge full of ratchet hoes
Them boys talking bout trapping O's
Fuck boys probably still jacking phones
Roll up in my AJ slippers
Wanna fire? Hit 'em first, yeah I Ray J niggas
No chase, no chase till I taste straight liquor
Got my kids in her mouth, That's a play date nigga
