

## Get A Stack

Krept & Konan

Had to sell a pack, tryna get a stack  
See the rucksack, get a boy whack  
See the gal there, looking like a snack  
If you see the back, I'm a pimp and a mutt  
Had to sell a pack, tryna get a stack  
See the rucksack, get a boy whack  
See the gal there, looking like a snack  
If you see the back, I'm a pimp and a mutt

Man call me Matt, bros call be Akh  
Said I'll never blow now I'm blowing out a back  
Fuck her on the sink, I got pussy on tap  
White girl said it's big, is it 'cause I'm black?  
Heard man rap but it weren't facts  
Talking online but you didn't act  
Phone Sammy Max, everybody get back  
Big hand ting, rat-a-tat-tat  
Bro don't chat, ready with the wap  
South of the map, city on our back  
Girl said I'm buff even though I'm clapped  
It must've been that hundred K plus VAT  
Flex in the South, flex in the East  
Man got the sauce, come flex with the G's  
Man better stay clear, the feds drive me crazy  
This is Krept, Konan, Hustler baby

Had to sell a pack, tryna get a stack  
See the rucksack, get a boy whack  
See the gal there, looking like a snack

Her pum pum fat, she showed me on Snap  
On my WhatsApp, little leg tap  
Saw him in real life, he said it weren't that  
Ak got the butcher, pockets get pat  
Had the dinger on lap, nearly shot skat  
Ringer all white, bali all black  
And when I pay tax, that's your whole stack  
That's your new car, that's your whole flat  
Tell me why ain't they rich? Talking 'bout bricks  
Look at their kicks, don't take the piss  
Rolie on wrist, looking all swish  
Left with a brown ting, looking all crisp  
She got work in the morning but she wanna come with me  
I see your bredrin's calling but she wanna come with me

Had to sell a pack, tryna get a stack  
See the rucksack, get a boy whack  
See the gal there, looking like a snack
