Always talking shit you must have cavities
I'm about to ghost you all like hide and seek
Oh hide and seek
Yeah yeah yeah yeah
All about my business no apologies
I'm so outta bounds I need a referee
On another level another galaxy
Oh galaxy
Yeah yeah yeah yeah

Ain't nobody gonna kill the vibe cause we way up
Ain't nobody fucking with the tribe yeah we major
Tell me why why why why we so fly yeah
Gotta the spice if you need a little flavor

They say they doin it like we
Well that's highly unlikely
They pull up the price
And we pull up looking pricey
The sweatsuit is Juicy
And plus the box is a high c
That's why I stay drippin in
While you look like you dry cleaned
We do it better
No effort
Long as we do it together
We get the blues and the cheddar
Stack it and do it forever
Nobody else could do it right
Cause they just can't do it like

Ain't nobody gonna kill the vibe cause we way up
Ain't nobody fucking with the tribe yeah we major
Tell me why why why we so fly yeah
Gotta the spice if you need a little flavor
