

Mary

Kreyson

Who could be true enough to besr
God's own Son, give him a mother's care?

Oh Mary,
I wanna live like you
Live with a heart like yours,
Faithful and pure and true.

Full of grace and true holiness,
steadfast love, unswerving obedience,
boundless faith, motherly gentleness,
For all time you are forever blessed

Oh Mary,
I wanna live like you
Live with a heart like yours,
Faithful and pure and true.

You know that I,
I wanna live like you
Live with a heart like yours,
Faithful and pure and true.

I wanna live, to like you,
live like you, live like you.
