

Come Back With Me Now

Krezip

Bring your heartache
Bring your worst pain
Tell me all about it, love
Bring the tears you cried
Bring the wars you had to fight
Tell me all about it, love

'Cause you and I both know
That we're as good as gold
So come back with me now
And you and I both see
It's time to bury our grief
So come back with me now

Oh-oh-oh-oh
Oh-oh-oh-oh
Come back with me now

I know I don't talk much
But I've got this fire in my heart
I'll tell you all about it, love
I know I've been a careless fool
While you've been seeking truth
Now let me tell you all about it, love

'Cause you and I both know
That we're as good as gold
So come back with me now
And you and I both see
It's time to bury our grief
So come back with me now

Come back with me now
We'll turn it all around
Let's leave the past forever
Make a brand new start together
Oh, come back with me now
I won't let you down (I won't let you down)
We'll make it last forever
Make a brand new start together
So come back with me now

Oh, you and I both know
That we're as good as gold
So come back with me now
And you and I both see
It's time to bury our grief
So come back with me now

Oh-oh-oh-oh
Oh-oh-oh-oh
Come back with me now
Oh-oh-oh-oh
Oh-oh-oh-oh
Come back with me now
