

# Easy Feeling

Krezip

I've been staring at the sky  
It's never been so blue  
No clouds no lines  
A brand new view

And I can't help but notice  
My heartbeat's fine  
Nice and slowly  
Right in time

I don't know myself no more no more  
I'm not running off no more no more  
I'm done holding on too strong  
I'm not overthinking  
Not drowning in drinking  
Not chasing a version of me  
No more  
Easy feeling

I've been watching grass grow  
And it's a stunning scene  
It's been like that all along  
But it was all just lost on me

And I can't help but notice  
My breathing's fine  
Calm and quiet  
Right in time

I don't know myself no more no more  
I'm not running off no more no more  
I'm done holding on too strong  
I'm not overthinking  
Or drowning in drinking  
Not chasing a version of me  
No more  
I'm running from myself  
No more  
And there is nowhere else I'd go  
Oh easy feeling  
Easy feeling

Easy feeling  
Easy feeling

Easy feeling  
Easy feeling

I don't know myself no more no more  
I'm not running off no more no more  
I'm done holding on too strong  
I'm not overthinking  
Or drowning in drinking  
Not chasing a version of me  
No more  
Easy feeling  
Easy feeling

Easy feeling
