Fine

Krezip

Held the door for me you'll make sure I'm fine, now
Hold my hand all day, no you would not care
You would just be thankful to
But do you feel you've won
Don't you see I'm weaker with you
I hope you don't really think
That I'm better off without you

And I feel fine, yeah
I feel fine, yeah
And take my hand, just be careful with it
I feel fine

Well, will you stick with me, you're right if you don't
'Cause I ain't easy now, no
Giving you a hard time
But do you feel you've won
And don't you see I'm weaker with you
I hope you don't believe it
That I'm better off without you, yeah

And I feel fine, yeah
I feel fine, no
And take my hand, just be careful with it
I feel fine

And I decided not to be, not to be with you at all
But I haven't got a clue if I'm handling this right, no
You give me everything I want
But I need to be alone
And believe me baby I don't understand why I can't be with you,
no

And I feel fine, yeah
I feel fine
And take my hand, just be careful with it
I feel fine, no
And take my hand, 'cause I trust you with it
I feel fine
And I feel fine
