

Go To Sleep

Krezip

Maybe you were wrong
Maybe you were right
But I don't need to know
I'm just so tired

I don't wanna fight
But you always know to pick one
Keep me up all night
It's the same old song

But I don't care
As long as you come home
With me

Baby let's not fight
Tonight
Hold me and go to sleep
I don't wanna cry
It's not right
Hold me and go to sleep

I know the will we find
Won't be turned by this storm
We will both survive
No matter where the wind blows

'Cause all I know
Is that I need you here
With me
Time will show
You gonna stick with me
With me

Baby let's not fight
Tonight
Hold me and go to sleep
I don't wanna cry
It's not right
Hold me and go to sleep

Life, it's supposed to be
Being in love with me
And go to sleep
Go to sleep
Go to sleep
Go to sleep

Baby let's not fight
Baby not tonight
Hold me and go to sleep
I don't wanna cry
It's not right
Hold me and go to sleep

Baby let's not fight
Tonight
Hold me and go to sleep

I don't wanna cry
It's not right
Hold me and go to sleep
Hold me and go to sleep
Hold me and go to sleep
