

Got Me Falling

Krezip

Hey boy
Been drowning in your pretty blue eyes
We've been dancing all night
And now it's burning in my belly real nice

Oh oh oh you got me living in a fantasy
Oh oh oh look what you're doing to me
Doing to me doing to me oh

You got me falling
Falling I'm falling in love
Got me calling
Calling the heavens above
And now I'm falling
Falling I'm falling
You don't have to look any further
You got me falling
Falling I'm falling in love
Got me longing
Longing for your sweet touch
Now I'm falling
Falling I'm falling
You don't have to look any further
No you don't have to look any further
Oh oh oh oh

Hey boy
Let me whisper something sweet in your ear
It's like every little thing
I've done in my life was meant to lead me here

Oh oh oh you got me living in a fairytale dream
Oh oh oh look what you're doing to me
Doing to me doing to me oh

You got me falling
Falling I'm falling in love
Got me calling
Calling the heavens above
And now I'm falling
Falling I'm falling
You don't have to look any further
You got me falling
Falling I'm falling in love
Got me longing
Longing for your sweet touch
Now I'm falling
Falling I'm falling
You don't have to look any further
No you don't have to look any further
Oh oh oh oh

It's the way you look
When you look at me
It's the things you say
And how you say them to me
Do you realize?

Do you realize?
You don't have to look any further
Oh oh oh oh

You got me falling
Falling I'm falling in love
Calling the heavens above
And now I'm falling
Falling I'm falling
You don't have to look any further
You got me falling
Falling I'm falling in love
Got me longing
Longing for your sweet touch
Now I'm falling
Falling I'm falling
You don't have to look any further
No baby you don't have to look any further
Oh oh oh oh
