cold and lonely silent when they\'re not here

i\'m alone they are gone but it goes like this and

F C B

i will be gone
getting into my dreams
i\'ve listened to what they told me
about how it\'s going to be
how it\'s going to be :)

(jacqueline)

yes you\'ve told me and it\'s true
i\'m not likely to be you
everybody said i would
now i know i\'m not

(annelies)

just a matter of time embrace me
you\'re my light in the dark
could you be here or could you not be
you\'re my everything

i will be gone
getting into my dreams
i\'ve listened to what they told me
about how it\'s going to be
how it\'s going to be
