

I'll Be Gone

Krezip

Wake up slowly
I feel ripped off when they're not here
'Cause it's cold and lonely
Silent when they're not here
I'm alone they are gone
But it goes like this, and

I will be gone
Getting into my dreams
I've listened to what they told me
About how it's going to be
How it's going to be, yeah

Wake up slowly
I feel ripped off when they're not here
'Cause it's cold and lonely
Silent when they're not here
I'm alone they are gone
But it goes like this, and

I will be gone
Getting into my dreams
I've listened to what they told me
About how it's going to be
How it's going to be, yeah

Yes you've told me and it's true
I'm not likely to be you
Everybody said I would
Now I know I'm not

I will be gone
Getting into my dreams
I've listened to what they told me
About how it's going to be
How it's going to be, yeah

How it's going to be
How it's going to be
