

# Let It Go

Krezip

Being, alone, there is no one you can trust  
You wonder, if they know, where you have been last night  
You know, they're busy, and that won't make you cry  
But they, don't care, and that's hard

Searching, for warmth, you've never known  
Being, with girlfriends, who helped you through  
You had, some guys, slept with some  
But they, don't care, and that's hard

Won't come, won't be, if you don't believe  
Try to see it all someday, see it all someday  
Won't come, will see, but you have to let it go  
Let it go, let it go

Your mother knows, believe me girl  
But she has never, learned to give  
You have, to do it, on your own  
And that's hard, and that's hard

Won't come, won't be, if you don't believe  
Try to see it all someday, see it all someday  
Won't come, will see, but you have to let it go  
Let it go, let it go, let it go, let it go

No, it won't come, no  
But always remember  
The things you once told me  
Things you once told me

Don't you get it, girl, girl  
Girl, girl  
Girl, girl  
Girl, girl
