

# Really Know Me

Krezip

Champagne glasses all around  
Pretty people pretty town  
It's all the things I thought it'd be  
But nothing like the things I need

It used to be easy  
Easy to fall  
Fall in love  
Forever ago  
But I know by now  
Nothing is easy at all

Does anybody really know me  
Does anybody really know me  
Does anybody really know  
Really know really really know me  
Does anybody really know me  
Does anybody really know me  
Does anybody really know  
Really know really really know me

Alcohol and cigarettes  
Help my loneliness forget  
But the writing's on the wall  
Do I even really know myself at all?

It used to be easy  
Easy to fall  
Fall in love  
Forever ago  
But I know by now  
Nothing is easy at all

Does anybody really know me  
Does anybody really know me  
Does anybody really know  
Really know really really know me  
Does anybody really know me  
Does anybody really know me  
Does anybody really know  
Really know really really know me

Does anybody really know

Don't look back  
Put your eyes on the ball  
You are gonna get high  
And you're gonna get low

Does anybody really know me  
Does anybody really know  
Really know really really know me  
Does anybody really know me  
Does anybody really know  
Really know really really know me  
Does anybody really know
