

# Sweet Goodbyes

Krezip

Can't sleep, cause everything's changing  
You don't want to leave things behind  
Can't breath, cause to many things  
Going on, going wrong in your life

Tears in your eyes  
Sweet goodbyes

I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight

Get you through the night  
I'll get you through the night

Wake up, the sun's shining bright  
Let's go out of bed, into the light  
Shape up, we won't forget  
Still there's lot's of love left to hold tight

Tears in your eyes  
Sweet goodbyes

I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight

Get you through the night

Everything of love between us  
Will get us trough the night  
All the things we've lost will teach us  
See the pretty things in life  
All the places that we've been to  
The people we relate to  
All the love that we give in to

Blow the tears from our eyes  
Sweet goodbyes

I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight

I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight

I'll get you through the night
