

# Take Your Time

Krezip

Have you ever had time, time to see  
If you'll ever know why  
Why the days are so long  
When you're out on your own  
And nothing feels strong

Take your time  
Try, I'm trying to, I'm trying so hard  
You need to find there's time to feel, time to fall, somehow

Have you seen me lately  
Passing you by  
Have you ever seen me this way  
I'm lost but I'm searching, searching am I  
Can't seem to find

Take your time  
Try, I'm trying to, I'm trying so hard  
You need to find this time to feel, time to fall  
It takes time  
But you're picking me up again, picking me up again  
It's all right  
'Cause you're holding me tight again, holding me tight again

Take your time  
Try, I'm trying to, I try so hard  
You need to find this time to feel, time to fall  
It takes time  
You're picking me up again  
You're holding me tight again  
You're picking me up again  
You're holding me tight again

Somehow
