

# This Is My Time

Krezip

I was born with a fire and a wandering heart  
Wanna love somebody who loves all of me  
Oh I have a desire I wished on a star  
Now I love somebody who loves all of me  
Oh all of me oh oh all of me

This is my time  
And I'm scared as hell  
But I'm not gonna wait  
I'm not gonna wait  
This is my life  
And it's my time  
I got a story to tell  
I'm not gonna wait  
I'm not gonna wait  
This is my time

And I'm living it up  
Living it up  
Living it up  
Living it up  
Living it up  
Living it up  
It's my time

Gonna go crazy, ooh, out of my mind  
A little miracle is all I need  
Eyes hazy but I'm no longer blind  
Cause a miracle is happening

This is my time  
And I'm scared as hell  
But I'm not gonna wait  
I'm not gonna wait  
This is my life  
And it's my time  
I got a story to tell  
I'm not gonna wait  
I'm not gonna wait  
This is my time

And I'm living it up  
Living it up  
Living it up  
Living it up  
Living it up  
Living it up  
It's my time

Living it up  
Living it up  
Living it up  
Living it up  
Living it up  
Living it up  
It's my time

It's my time

Living it up

Living it up

Living it up

Living it up

Living it up

Living it up

It's my time
