Krezip

**A**mi **G**Emi **F**

4x

**A**mi **Fmaj7** **D**mi  
you hoped that if you'd forget your memories  
**E**mi **A**mi  
that they'd forget you too  
**Fmaj7** **D**mi  
you'd put a bandage on your aching spot  
**E**mi **A**mi  
and that will make you feel good  
**Fmaj7** **D**mi  
i think someone should have told you that  
**E**mi **A**mi  
this ain't the way it works  
**Fmaj7** **D**mi  
and that you have to work it out some day  
**E**mi  
you will, yeah

**F** **G**  
it takes you further everytime  
**F**  
it will make you sweat like hell  
**G**  
you just can't keep gnashing your teeth forever

**A**mi **G**  
won't cry, why wouldn't you  
**E**mi **F**  
no, won't let them get to you  
**A**mi **G**  
won't cry  
**E**mi **F**  
and if anyone will try to tell you that  
**A**mi **G**  
this ain't, no no this ain't, no  
**E**mi **F**  
it ain't the way it works  
**A**mi **G**Emi **F**  
they're wrong,  
**A**mi **G**  
they're wrong,  
**E**mi **F**  
so wrong

well you've done enough to prove us all  
won't let them get you down  
but now i think the moment's here  
to show yourself your weaknesses  
i see you figured out by now  
this ain't the way that things go  
and the time has come to work it out  
you will, yeah

it takes you further everytime  
it will make you sweat like hell

you just can't keep gnashing your teeth forever

won't cry, why wouldn't you  
no, won't let them get to you  
won't cry  
and if anyone will try to tell you that  
this ain't, no no  
this ain't, no  
it ain't the way it works  
they're wrong, they're wrong, so wrong (no, no, no, no)

**Ami      Fmaj7      Dmi      Emi**

you won't cry, won't cry, won't let them get to you

you won't cry, why wouldn't you  
no, won't let them get to you  
won't cry  
and if anyone will try to tell you that  
this ain't, no no
