Help Me Make It Through The Night

Kris Kristofferson

С C7 Take the ribbon from your hair т shake it loose and let it fall G7 layin' soft against my skin С like the shadows on the wall С C7 Come and lay down by my side F till the early morning light G7 all I'm taking is your time С help me make it through the night С G7 F I don't care who's right or wrong С I don't try to understand G7 D7 let the devil take tomorrow G7 Lord, tonight I need a friend G7 С Yesterday is dead and gone C7 F and tomorrow's out of sight G7 and it's sad to be alone С help me make it through the night С G7 Lord, it's sad to be alone, С help me make it through the night.
