Road Warrior's Lament

Kris Kristofferson

There's a silence full of stars for as far as I can see
In the silence where you are do you ever dream of me
The moon is dark the night is silver wild perfume is on the bre

I feel the stars cold as forever half as true as you and me And I'll be your friend I'll be your lover I'll be whatever you ever need

Right to the end until it's over I swear to you you can count o n me

But my heart is breaking here tonight my soul is weary from the fight

My God I've tried and I've been true my love I'm coming home to you

I'll be your friend...
